## The Best Gift is from within the Heart.

The Holiday season is about giving and family, but in today's day everyone is caught up in what to buy this person or how much to spend on that person. What we have forgotten is that anything we do for our fellow man, such as making a gift or helping clean the house, is better than any gift money can buy. Remember this while in a busy shopping center where everyone is so consumed that they forget courtesy and respect. Be the better person and give a little from your heart and help others remember the true meaning of the holidays. Happy Holidays to all of our Students and their families. From the staff of Shaolin Kempo School of Martial Arts.
