TOPIC OF THE MONTH

New Year Resolutions

The New Year is about evaluating what have accomplished in the previous year and what needs to be done to reach our goals for this year. Remember to set goals for every part of your life, health and fitness, career, martial arts, family and spiritual goals. Life is about moving forward by setting these goals we can have a better chance to do that in a positive way for yourself and those in your life and if along the way you run into a challenge don't give up just reset your goals and keep moving forward. Success is not determined by the one left standing, but the one who keeps getting up after being knocked down over and over again and never giving up. May this year be the beginning of a new journey that leads you to the very best of success in every part of your life.

From the staff of Shaolin Kempo School of Martial Arts.
