### Free Make Up Private Classes

Attention all student and parents, with it being summer, we understand and want all of our students to enjoy their family and vacation time.

We just want you to remember to schedule your make up classes with your instructor for the time you or your child has missed. This is your responsibility to touch base with our instructors and set up a class time.

Shaolin Kempo School of Martial Arts, because of the size of our student body, does not have time to chase everyone down to make our students schedule these classes.

Free make up classes are something Mr. Tony and our instructors do for the good of our students.

Don't miss out!

## Topic of the Month

### Quitters Never Win, But Winners never Quit

When you begin your training in the martial arts, there will be stages of learning more difficult than others, but if you stick with it, the results will be well worth the effort.

Remember to give your best all the time regardless of how much homework you have, how tired you are, whether you have had a bad day or you just don't think you can't do it. Remember only YOU can make success happen, no one can do it for you. The sooner you realize that, the faster you will get out of your own way, get rid of the excuses and get to the finish line for success. This is true in all areas of life.

When you start something, always make up your mind to finish it and you will be a winner!
